

Hiring Software Partnership

About CareerPlug and the Partnership

CareerPlug provides hiring software to help franchisees attract more qualified candidates, identify candidates more confidently, and improve hiring results. We have partnered with your company to provide you access to a free account that you can use today to post jobs to your careers page. As a franchisee of your company, you can also access a "Pro" version of CareerPlug for a special rate to take your hiring to the next level.

Plan	Basic	Pro
 <p>Improved Applicant Experience and Visibility</p>	<p>Free</p> <p>Everything you need to create attractive and compelling job postings and hire superstars.</p> <p>Show off your company culture with a branded Careers Page</p> <p>Make it easy to apply from any device with mobile optimized job postings</p>	<p>Starts at \$495/year</p> <p>Take your hiring to the next level with everything in a basic account plus these features.</p> <p>Increase the visibility of job postings with unlimited postings to major job boards</p> <p>Applicants can easily import their information from major job boards</p> <p>Applicants can easily switch between English and Spanish versions of job postings</p>
 <p>Create Better Hiring Results and Reduce Turnover</p>	<p>Keep track of all your applicants in one place</p> <p>Determine if applicants meet your needs with prescreen questions</p> <p>Email candidates in-app with pre-built templates to take the guesswork of what to write</p> <p>Have sample, ready-to-use questions with interview guides</p>	<p>Receive notifications for applicants with the best answers to prescreen questions</p> <p>Compare candidates against each other and your top team members with math/verbal and personality assessments</p> <p>Text candidates for faster responses (additional fee)</p>
 <p>Save Time and Stay Compliant with Paperless Onboarding</p>		<p>Complete I-9s, W-4s and any custom paperwork online with a secure storage functionality</p>
